

SP1000™

Contemporary style that can be worn with temples or headband. Provides protection against impact, sun, wind, and debris. Ideal for high-particulate environments such as grinding, chipping and sanding.

Overview

Key Features

Sperian SP1000...powerful eyewear for today's demanding work environments. The SP1000 provides protection against impact, sun, wind, dust and debris coupled with durable performance and minimized fogging thanks to our new Dura-streme technology! Its contemporary design offers a range of comfort and adjustability features for all-day wear in a popular black frame color. This high-performance model is a strong addition to your safety eyewear offering. Ideal for dirty, high-particulate work environments such as grinding, chipping, shaving and sanding.

- Available with Dura-streme dual coating technology which combines our two best lens coatings — Fog-Ban on the interior and Anti-scratch on the exterior — for 3x longer lens life*
- Soft and flexible nasal pads conform to a variety of facial profiles and minimize slippage.
- Soft, high-quality face cushioning and padded temple tips offer all-day comfort.
- Highly adjustable flame-resistant headband provides excellent fit.

Warranty Information

LIMITED WARRANTY: Sperian warrants that its products are free from defects in material and workmanship. A product that is subject of a warranty claim must first be made available to an authorized Sperian Safety distributor or the seller from whom the product was purchased. All warranty returns must be shipped pre-paid. Sperian or the Sperian Safety distributor will then determine whether repair or replacement of the product is the appropriate remedy. This will be done at no charge to the end-user. This limited warranty does not cover any Sperian product or component found to have been altered, misused, abused, tampered with or improperly maintained or to have deteriorated due to aging of any components made of rubber or any other elastomer. This limited warranty does not cover any damage, loss or expense due to damage caused by accident, abuse, improper maintenance, use or misuse of the product. Sperian Safety should be used only in strict accordance with and adherence to the detailed instructions and warnings provided with the product.
